SECTION VII — AGENT BIOGRAPHY

BEFORE THE COVENANT — WHO WERE YOU?

Adjunct professor of archaeology at the University of Copenhagen until 1982, when a Bronze Age excavation near Roskilde unearthed a sealed reliquary that killed two students. The Covenant found her before the grief counselor did. Fourteen years of fieldwork across Scandinavia and the Mediterranean left her with a bad knee, a photographic memory for inscriptions, and an inability to leave a mystery unfinished.

SECTION VIII — FIELD NOTES
