NAME

Lucia Ferreyra

ORGANIZATION (O#)

Independent (estate custodian line)

ARTIFACT CONNECTION

Raised in custodian tradition. Never handled the Spear directly but witnessed its effects during suppression rites as a child.

SECRET

She knows the vault was a custody chamber, not a safe — and she has the family liturgical sequence memorized.

GOAL

Protect the family’s reputation and prevent anyone from learning the true nature of what was stored.

KNOWLEDGE

STARTING KNOWLEDGE (I#)

I4 (vault was suppressive), I9 (family were custodians), I11 (partial substitute custody sequence).

GAINED KNOWLEDGE (MILESTONE-TRIGGERED)

At O4M2: learns Church observers are monitoring the family — becomes more cooperative if offered protection.

LOCATIONS (L#)

L1 (Estate Aftermath).

ENGAGEMENT RESULTS

POSITIVE RESULT

Shares I4, I9, I11. Reveals partial containment sequence. May provide access to family chapel records (unlocks path to L7).

NEGATIVE RESULT

Refuses further contact. O4 advances 1 square (Church observers alerted by her distress).

Portrait

NAME

Detective Mateo Suárez

ORGANIZATION (O#)

O3 (Buenos Aires Police)

ARTIFACT CONNECTION

No direct contact. Has interviewed witnesses who exhibited mild ideological contagion.

SECRET

He knows the robbery case has unexplained elements — witnesses describing identical wounds, objects that should not exist — but he cannot write that in a report.

GOAL

Close the robbery case cleanly before it becomes a political embarrassment.

KNOWLEDGE

STARTING KNOWLEDGE (I#)

I5 (witness list), I6 (wounded thief route), I8 (sketch fragments).

GAINED KNOWLEDGE (MILESTONE-TRIGGERED)

At O3M2: learns I7 (hospital referrals) from a released witness.

LOCATIONS (L#)

L2 (Police Station).

ENGAGEMENT RESULTS

POSITIVE RESULT

Shares I5, I6, I7, I8. Becomes a quiet ongoing source. Opens unofficial access to police and hospital records.

NEGATIVE RESULT

O3 advances 1 square (official attention drawn to agents). Agents flagged in police system.

NAME

Father Esteban Vale

ORGANIZATION (O#)

O4 (The Catholic Church)

ARTIFACT CONNECTION

Has read the black-chamber file. Understands the relic as a sovereignty token, not merely a devotional artifact.

SECRET

Authorized to reclaim the relic by any necessary means — but his superiors will deny his existence if exposed.

GOAL

Recover the Spear into Church custody without a public ecclesiastical scandal.

KNOWLEDGE

STARTING KNOWLEDGE (I#)

I9 (family were custodians), I10 (postwar custody compromise).

GAINED KNOWLEDGE (MILESTONE-TRIGGERED)

At O4M2: learns I11 (partial substitute custody sequence) from Church archives.

LOCATIONS (L#)

L1 (Estate — after O4M1), L3 (Church Archive — after O4M2).

ENGAGEMENT RESULTS

POSITIVE RESULT

Shares I9, I10. May negotiate exchange if agents demonstrate containment capability. Introduces Sister Inés.

NEGATIVE RESULT

O4 advances 1 square (Church accelerates independent recovery). Agents excluded from ecclesiastical channels.

Portrait

NAME

Sister Inés Barral

ORGANIZATION (O#)

O4 (Church — archivist)

ARTIFACT CONNECTION

Studied the textual record extensively. Understands Quiescence conditions better than Father Vale.

SECRET

Has access to the older containment record and believes the Church should share it, not hoard it.

GOAL

Preserve the archival truth about the relic custody lineage, even if her superiors disagree.

KNOWLEDGE

STARTING KNOWLEDGE (I#)

I9 (family were custodians), I10 (postwar custody compromise), I11 (partial substitute custody sequence).

GAINED KNOWLEDGE (MILESTONE-TRIGGERED)

At O4M3: learns the retrieval cleric's full plan — may share it if she believes the agents are more careful.

LOCATIONS (L#)

L3 (Church Archive).

ENGAGEMENT RESULTS

POSITIVE RESULT

Shares I9, I10, I11. Provides most complete Quiescence picture. May share information even against Church orders.

NEGATIVE RESULT

O4 advances 1 square (Church tightens archive access). Sister Inés is reassigned — no longer available.

Portrait

NAME

Ramiro “Rami” Acosta

ORGANIZATION (O#)

O2 (The Theft Crew)

ARTIFACT CONNECTION

Touched the Spear during the heist. Suffering reopened wounds, religious certainty, and intermittent ecstatic episodes.

SECRET

Knows where the Spear was last held and who currently has proximity control – but suffering wound bloom and command-delusion.

GOAL

Survive. He wants medical treatment and a way out of Buenos Aires.

KNOWLEDGE

STARTING KNOWLEDGE (I#)

I15 (supernatural effects – wound bloom), I16 (who began speaking like a chosen ruler), I17 (final custody break site).

GAINED KNOWLEDGE (MILESTONE-TRIGGERED)

None – deteriorating.

LOCATIONS (L#)

L5 (Illicit Clinic – available when O2M2 triggers).

ENGAGEMENT RESULTS

POSITIVE RESULT

Shares I15, I16, I17. Can lead agents to L7 (Hidden Shrine). Recovered thief notes available as handout.

NEGATIVE RESULT

O2 advances 1 square (Rami disappears or silenced by Compact). Path to L7 becomes harder.

Portrait

NAME

Sabine Voss

ORGANIZATION (O#)

O1 (Vantablack Compact)

ARTIFACT CONNECTION

No direct handling. Views the Spear as high-value merchandise, not a supernatural threat. This will change.

SECRET

She financed the heist and has already taken significant losses. Her superiors are losing patience.

GOAL

Recover the Spear and complete the sale before the Compact writes off the operation – and her.

KNOWLEDGE

STARTING KNOWLEDGE (I#)

I12 (who financed the theft), I13 (handoff collapse location).

GAINED KNOWLEDGE (MILESTONE-TRIGGERED)

At O1M2: learns I14 (buyer demands). At O5M1: learns I18 (export route).

LOCATIONS (L#)

L4 (Currency Exchange – after O1M2), L6 (Port/Export – after O5 activates).

ENGAGEMENT RESULTS

POSITIVE RESULT

I12, I13 extractable through interrogation or intercepted communications. Voss will not cooperate voluntarily.

NEGATIVE RESULT

O1 advances 1 square (Compact accelerates recovery). Agents marked as interference targets.

Portrait

NAME

Iván Luján

ORGANIZATION (O#)

01 (Compact cutout / nationalist fixer)

ARTIFACT CONNECTION

Extended proximity exposure. Exhibiting claimant-language patterns: speaking of destiny, mandate, and chosen vessels.

SECRET

GOAL

He has begun interpreting tactical instinct as divine revelation. He is the strongest bearer candidate.

He no longer wants to sell the Spear. He wants to keep it — and he is beginning to believe he was meant to.

KNOWLEDGE

STARTING KNOWLEDGE (I#)

I13 (handoff collapse location), I16 (who began speaking like a chosen ruler — because it was him).

GAINED KNOWLEDGE (MILESTONE-TRIGGERED)

None — he is becoming the problem, not gathering intelligence.

LOCATIONS (L#)

L4 (Currency Exchange), L7 (Hidden Shrine — as the bearer).

ENGAGEMENT RESULTS

POSITIVE RESULT

Agents can identify him as the bearer before full activation. L7 unlocks through his movements.

NEGATIVE RESULT

Fill 1 extra shift quadrant on the Operations Board. Bearer activation accelerates.

Portrait

NAME

Brother Tomás Arce

ORGANIZATION (O#)

Independent (false ecclesiastical broker)

ARTIFACT CONNECTION

None directly. Has heard enough from multiple sources to piece together partial truths — secondhand and unreliable.

SECRET

GOAL

He wears clerical dress but has no real ecclesiastical authority. He brokers between clergy, smugglers, and collectors.

Profit from the chaos by selling information to whoever pays — Church, Compact, or buyers.

KNOWLEDGE

STARTING KNOWLEDGE (I#)

I10 (postwar custody compromise — partial), I14 (buyer demands — partial).

GAINED KNOWLEDGE (MILESTONE-TRIGGERED)

At 05M1: learns I18 (export route) from courier contacts.

LOCATIONS (L#)

L3 (Church Archive — posing as clergy), L6 (Port/Export — brokering).

ENGAGEMENT RESULTS

POSITIVE RESULT

Shares I10 (partial), I14 (partial), I18. Information may be incomplete or slanted — but accelerates timelines.

NEGATIVE RESULT

Information sold to Compact instead. 01 advances 1 square.
